

Department of Computer Science

Class of 2020

Dear Graduates of Computer Science:

Congratulations on your successful graduation from Queens College with a degree in Computer Science! This is a great achievement even under the normal circumstance, and is truly an amazing accomplishment given the unexpected negative impact of the pandemic on virtually every aspect of people's life. Your determination and perseverance that have been tested in the last several months will undoubtedly become an asset as you move on to the next phase of your career.

As you know we normally host a reception after the College-wide ceremony to show our appreciation to you and your family for entrusting your education with the Computer Science Department, but all such gatherings have been postponed. On behalf of the entire CS faculty and staff, I would like to use this message to convey our sincere appreciation and to wish you all the best in your future endeavor.

Thank you and take care!

Dr. Zhigang Xiang, Chair
Computer Science Department
